IN MEMORIAM

The Millstream staff and graduating class of '61 pauses in memory of its late fellow classmate, George Franklin Smith, whose deep capacity for friendship, his friendly manner, and ever helping hand is missed from the ranks of all who knew him.

Therefore we the Senior Class of 1961 wish to pay this special tribute to George Franklin Smith, "Born August 23, 1941, Died August 12, 1960." Although he is no longer with us as the graduation of this class draws near, we do take pride in paying this special tribute to his spirit with this memorial.

SCHOOL SONG

In Craven County's chosen spot,
We have casted in our lot,
    Dear old Farm Life School to thee we lift our song.
Near thy level fields so fair,
We shall breathe the balmy air,
    While with merry hearts the chorus we prolong.

As the morning sunbeams' light,
Greets thee o'er the forest height,
    So our tribute, we as freely to thee bring.
Youth's true homage full and free,
We thus gladly render thee
    Dear old Farm Life School thy praise we freely sing.

To thee, guardian of our youth,
Faithful guide to light and truth,
    We, thy children, bring our songs of grateful praise.
And when we shall leave thy halls,
We shall ne'er forget thy calls,
    Dear old Farm Life School the scene of happy days.

CHORUS
Sing we a song of our dear Farm Life School
    Fondly we love thee still.
And wherever we may be,
    Fond mem'ry turns to thee,
And our many friends we have at Farm Life School.

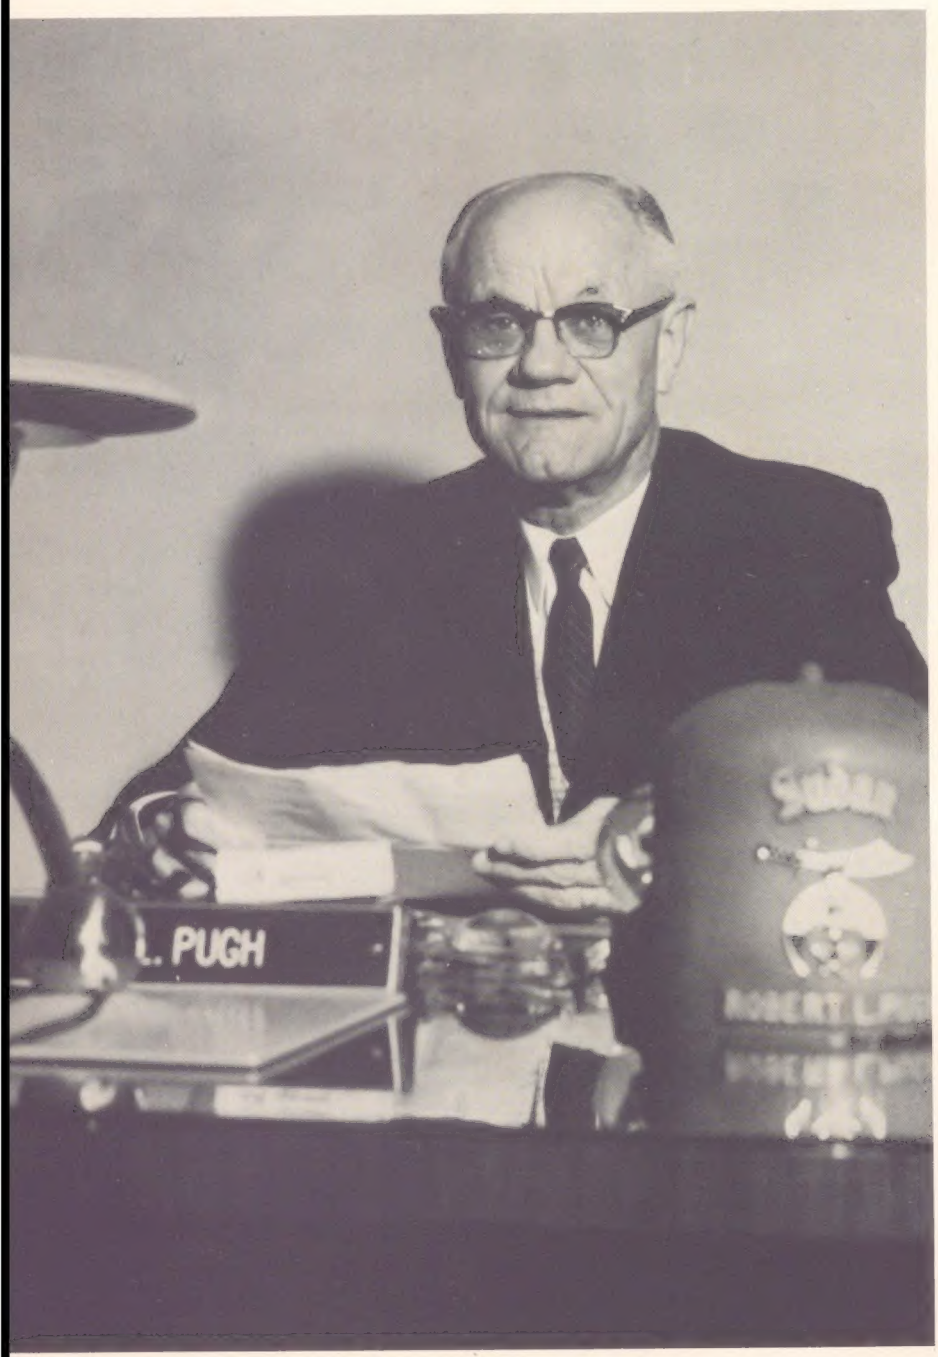
OUR COUNTY SUPERINTENDENT



MR. ROBERT L. PUGH

"I would add my word of commendation to the Senior Class of the Farm Life School. You are graduating in a year when the world cries desperately for positive and constructive leadership. Such leadership as is needed now and in the future will come only from the prepared person, prepared both mentally and spiritually. It is my fervent hope that you will continue the preparation you have so well begun and thus more adequately equip yourselves to meet the challenge of the New Day."

Sincerely yours,

Our two Mrs. Daisies, Mrs. Powell and Mrs. Wetherington, work hard each day to prepare a delicious, wholesome lunch.

Our janitor, Richard Tucker, was caught off guard while he was cleaning around the Christmas decorations in the lunchroom.

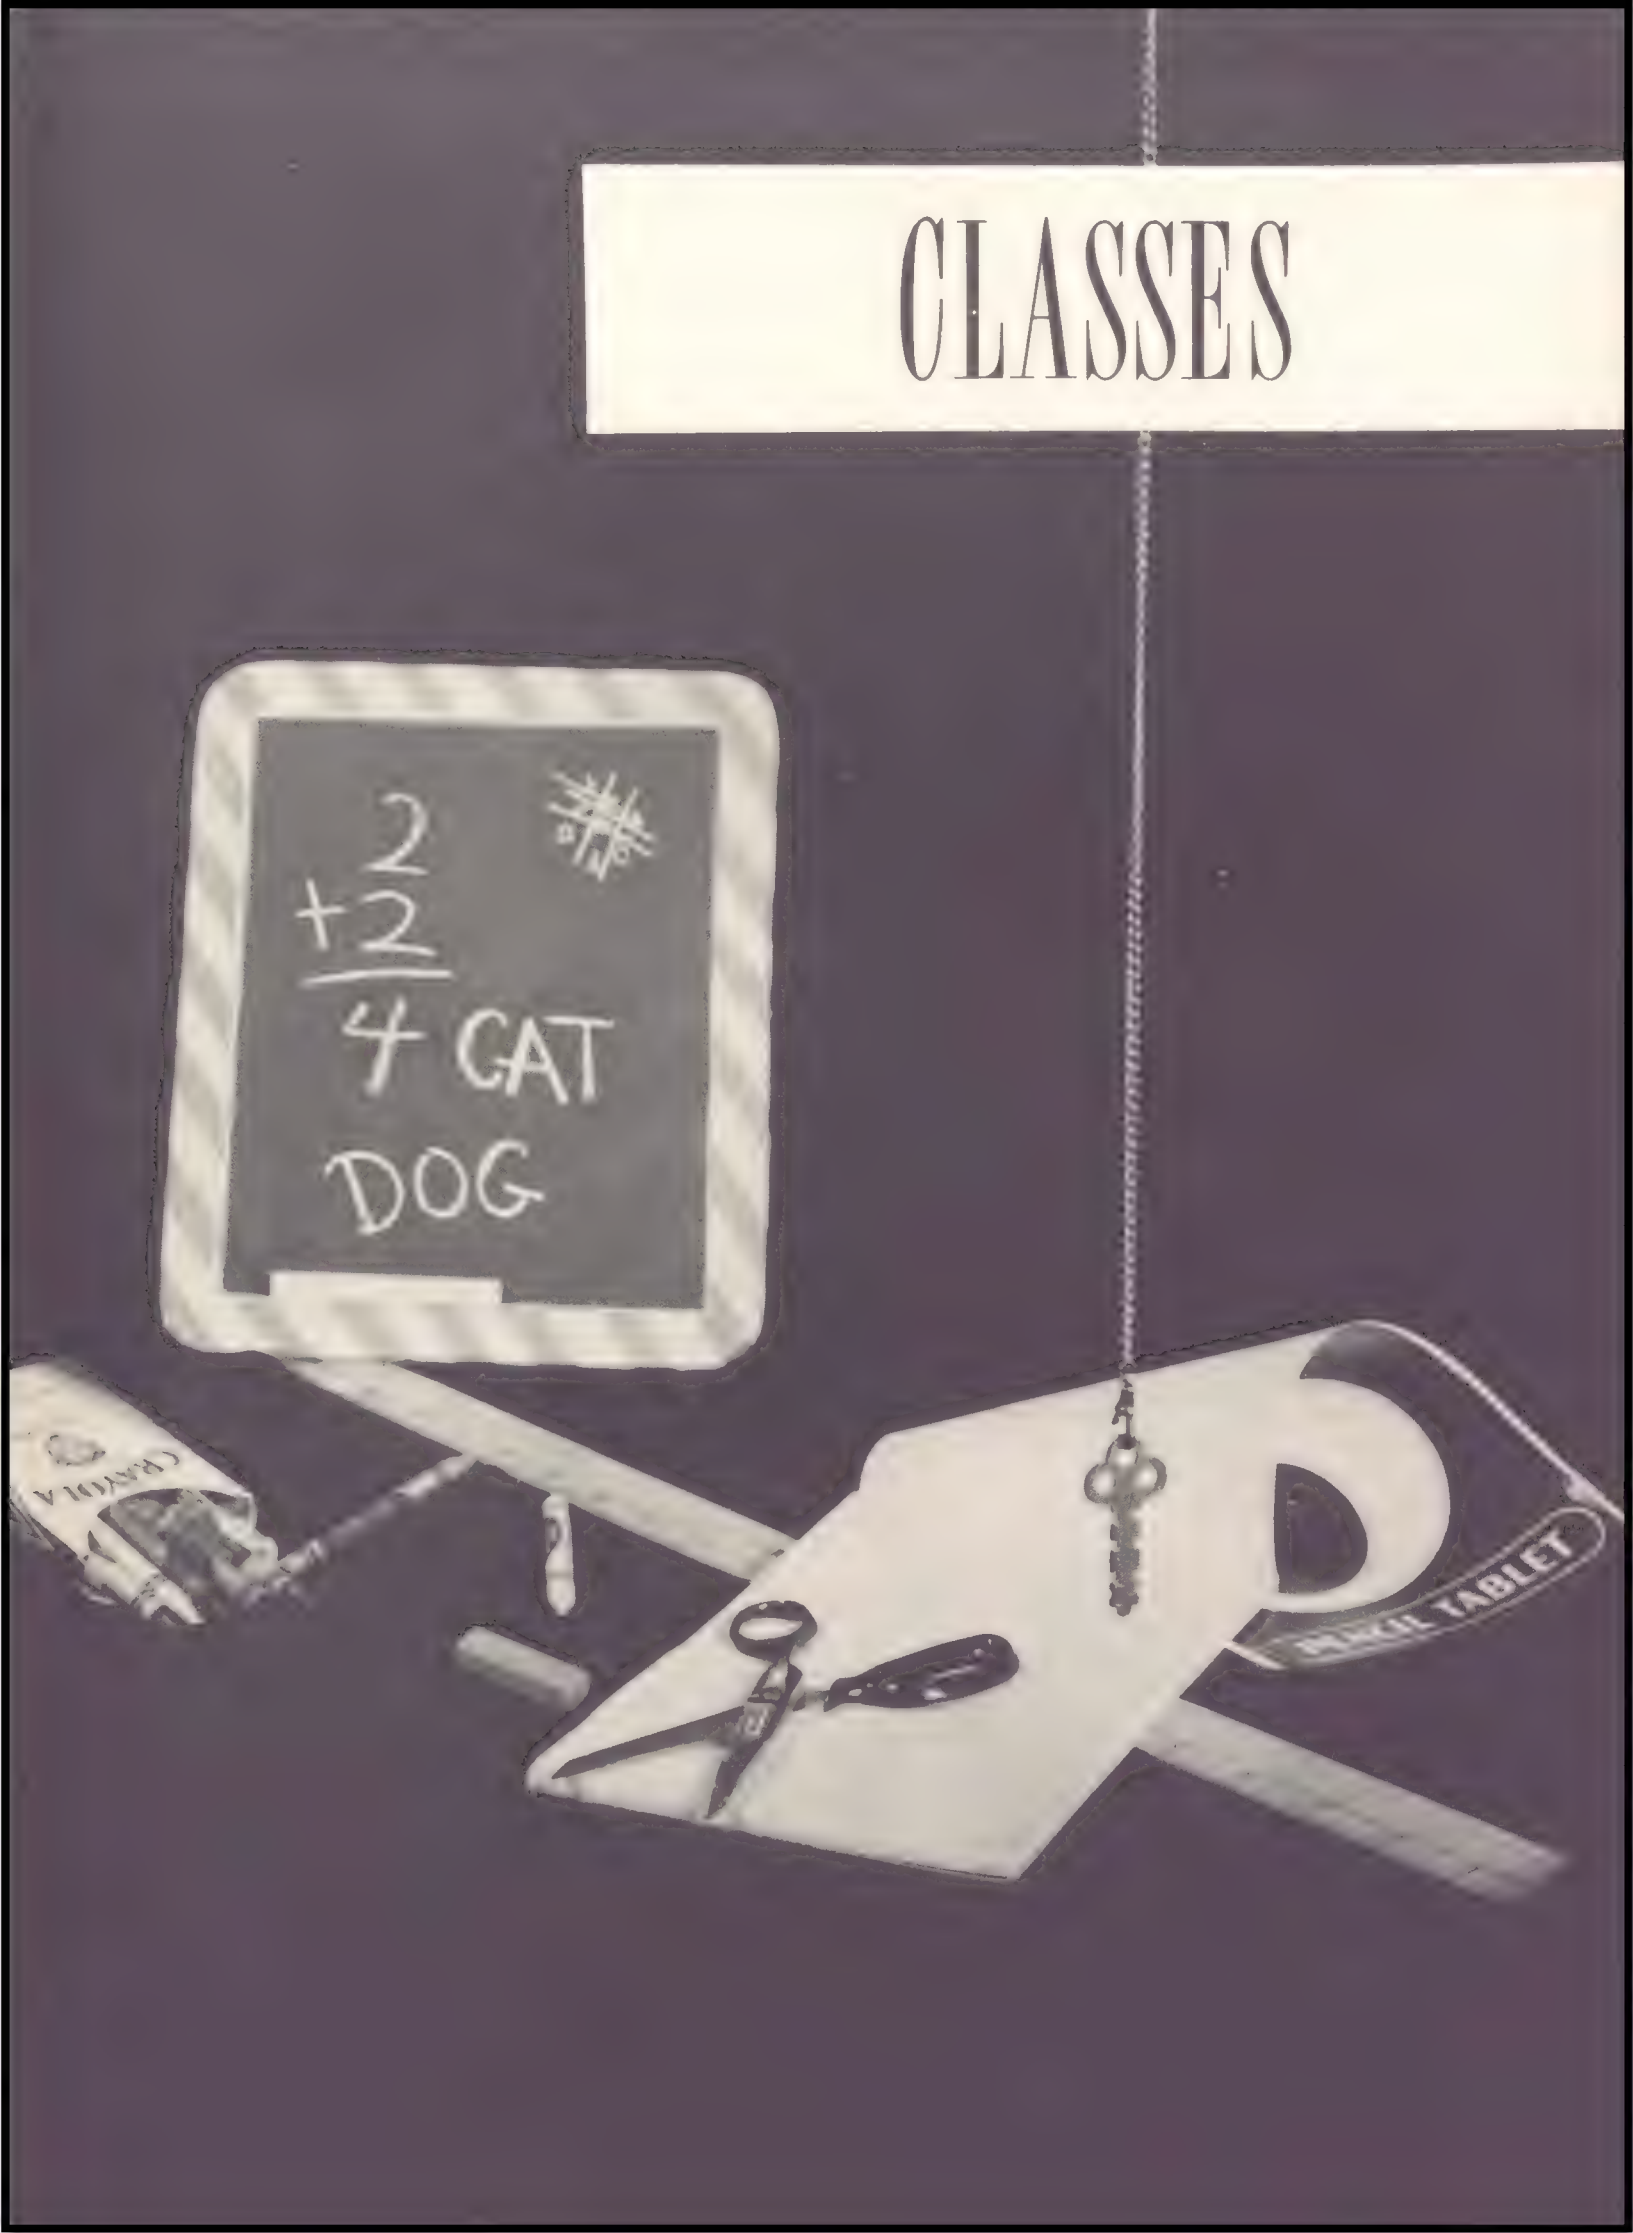
CLASSES



Our History . . . . .

If it is true that memories hold the keys to happiness, then the members of our class should brighten the world with its cheerfulness. We certainly have had a good time and maybe we even learned something. We changed advisors every year, for it is doubtful that any two people, no matter how strong physically or mentally, could have survived the ordeal of our class for more than one hundred and eighty days. When we were freshmen in 1958, Miss Littleton and Mr. Jones helped us get adjusted to the routine of high school. Our officers were: H. A. Morris, Estelle Cayton, and Frankie Gaskins. One thing I remember very well was the weiner roast that we gave the Seniors. How could anyone forget it, when there was somebody there like Frankie Ipock? Brother did he eat the hot dogs! I kept count of them up to twelve, then I lost out - fifteen is about as far as I can count anyway.

During the summer there were nine out of the class who got lost. What happened to them I don't know, but they got lost somewhere along the trail. Thank goodness the rest of us kept our eyes wide open and kept on the right path, the one which led to dear old Farm Life School. We began our new year with high aspirations. Our leaders were: John Wesley Smith, Frankie Gaskins, Cheryl Arthur, and Ricky Jones. We had as our advisors Miss Turnage and Mrs. Ormond. One would never think that Miss Turnage could be so spry and so much fun. We were all surprised at her when we gave the Seniors a sock hop in the gymnasium. You should have seen her dance! How she kicked her heels that night!

At last we were Juniors. There was much work and lots of fun just ahead of us. With Mrs. Haddock and Mr. Speight as our advisers, we had many wonderful experiences. We still had to put up with Wesley Smith as president, along with Cleo Bryan, Estelle Cayton, and H. A. Morris. Wesley was quite a guy. When he was elected president, Mr. Speight asked for a president's address.. Who else would have said, "Route 2, Vanceboro, North Carolina." Our first great pleasure was selecting our class rings. When they came they were the prettiest things we had ever seen. In October, Mr. Speight and Mr. Hinton accompanied us on a historical trip to Williamsburg, Virginia. We had one of the best times anyone could have ever had. We almost got left up there, because "Mr." Gerald Morris locked Barbara Lewis up in the stocks and I couldn't leave her there like that by herself. Everyone ran and left us. Boy, were we in a mess? Finally I got her loose from the stocks and did we run? The bus was leaving us, but Mr. Hinton saved us by a yell. For our Junior play, we selected a hillbilly one entitled, "Mountain Gal." With the help of Mr. Speight, as our director, the play was presented and we thought it was the best play ever produced at Farm Life School. We tried to get to the heavens, for we built a "Stairway to the Stars" for our Junior-Senior Prom. The gymnasium was beautifully decorated and both the Juniors and Seniors enjoyed this event tremendously. Our Junior year was ended and each of us were looking forward to the most important year of all, OUR SENIOR YEAR.

As we turned the key in the lock of our Senior year, we selected as our officers: Jay Keitt Sawyer, Betty Rae Hopewell, Cheryl Arthur Kite, and H. A. Morris. Mrs. Vivian Taylor and Mr. Jesse Hinton, our advisers, made the year's activities enjoyable. Along with these advisers there's one I couldn't forget, Mr. Blair. He had so much patience with us and was always helping us in every way he could. The first step was choosing our annual staff and soon work was begun on the "Millstream." How proud we were to have Marilyn Nobles chosen as the Future Farmer's Sweetheart and Colie Miller as Future Homemaker's Beau. The greatest memory was the crowning of Jay Keitt Sawyer as Mr. Farm Life School. We well remember the day when several sweet little boys and girls came to school and we chose from them Donna Lou Coward and Gregory Simpkins as our mascots. A play cast was selected for our Senior play, "Going Places." In the spring we took a trip to Washington, D. C. Our Junior-Senior Banquet, which we will never forget, was wonderful. We had many entertainments which included, Woman's Betterment, Alumni, Baccalaureate Sermon, Class Night, and last of all and most important - GRADUATION.

Keitt Sawyer in One-Hit Pitching Feat as Raider Squad Defeats Bears 3-2

Keitt Sawyer pitched a one-hitter and his mates backed him up with four solid hits at Kafer Park Wednesday night, as the Vanceboro Raiders edged the New Bern Bears by a 3-2 score.

The only hit allowed by Sawyer accounted for both runs scored by the New Bern ball club, as Donald Davis hit a long and impressive triple in the third inning to drive Billy Conway across home plate with a score. Conway had gotten on base by drawing a base on balls. Davis added another score by stealing home base.

The Vanceboro pitcher struck out 15 of the opposing New Bern batters and gave up eight bases on balls. Big Phil Rawls, who took the mound for the Bears and pitched the entire game, struck out only six batters, but also gave up only two bases on balls.

Keitt Sawyer tossed a hard-to-hit and speedy fast ball throughout the contest. The Bears had him in trouble several times, but he struck out opposing batters to get himself out of trouble.

Vanceboro Student Receives Honor

Miss Elizabeth Rachel Hopewell, a senior at Vanceboro Farm Life High school recently received a letter of commendation for superior performance on the National Merit Scholarship Qualifying Test 1960-61. She is the daughter of Mr. and Mrs. Arthur R. Hopwell. The letter reads in part as follows:

"On the basis of your test scores, you are one of 28,000 students who are receiving this Letter of Commendation. These students, together with the 10.000 students who are finalists and will receive Certificates of Merit, constitute less than three per cent of all secondary school seniors.

"Although the National Merit Scholarship Corporation does not send this recommendation directly to a college, a copy of this Letter of Commendation may be sent by you or your high school principal to the admission office of the college to which you are seeking admission.

"You have demonstrated superior ability and have brought credit to yourself and to your school. We sincerely hope that in the years ahead you will accept your responsibility to develop these abilities fully."

One of the purposes of the National Merit Scholarship Qualifying Test is to identify able and promising students throughout the country and to encourage them to continue their education. This test was taken in the Spring of 1960 by 580,000 students and was administered in 15,000 participating high schools in accordance with standard instructions as attested by an official of the high school.

"Miss Hopewell is one of our most outstanding students," said Ed P. Blair. "She has consistently ranked high in all of her work."

Miss Arthur And H. A. Morris, Jr., Win Dover Event

Vanceboro Been Participant Every Year Since Contests Began

H. A. Morris, Jr., an advanced typing student in the Commerical department of the Vanceboro Farm Life High school, and Miss Cheryl Arthur, beginning typist of the same school, were awarede medals for making the highest grade in the county typing contest held in Dover in March, according to information released this week by the Business department of East Carolina college in Greenville.

In commenting on the honors won by the students, Mrs. Ruth P. Hinton, who is in her seventh year as Commerical teacher at Farm Life High school stated: "They are both outstanding in their school and community activities."

Each of the two Farm Life High school winners did over 100 points better than the nearest contestant. The Vanceboro school holds the distinction of being the only school in the county to participate each year since the typing contests were started in Vanceboro in 1956.

Vanceboro Wins Two Ball Games In Triple-Bill

Marilyn Nobles led scoring for the victorious Vanceboro lassies, getting 41 points. Her scoring average for the season is 37 points per game. Joy Burton and Miss Nobles aided the Vanceboro attack with exceptional rebounding. Geraldine Ramsey joined with the other standouts to be one of Vanceboro's girl stars on defense. Both squads hit on 50 per cent of their foul shots.

SENIOR CLASS PROPHECY

While falling to sleep after one of those hectic days in physics, English, etc., I realize that the cloudy chambers of my mind are clearing. It seems that in the distance a man, or is it a woman, is becoming visible to me. Someone reports to me that the year 1971 is upon us.

I see that Wilmer Wetherington is the pilot of the first rocket to Mars. Of course Hilda Grace is the co-pilot.

Viola Stilley is now driving for the Greyhound bus lines.

Wesley Smith is the only man to ever compose one-fifth of Glenn Miller's band.

Geraldine Ramsey has become captain of a WAC basketball team.

Donald Purser has broken the world speed record with his new race car.

Marilyn Nobles has organized a Women's basketball team that has become the world champion.

Carol McLawhorn is finally riding in that big car that she always thought Jesse would finally get.

Gerald Morris has come out with a push-button drive school bus.

Cheryl A. Kite and Laurie Lee are or their second honeymoon while touring Europe.

Al McClamb finally got in that Baltimore Colt's backfield.

Betty Hopewell has succeeded in taking Mrs. Haddock's place as English teacher.

Billy Joyner has discovered a way of growing tobacco 10' high.

Mary Lou Hill is training nurses in her own "Private Nurse Training Center."

Douglas Jones has caught the knack of playing basketball. He's with the Boston Celtics.

Marie Gaskins has become the secretary for Lieutenant Thurman Ramsey.

Charles Ipock is learning how to grow tobacco on the moon.

Gearld Dawn Gardner is starring on Broadway in "I am Not a Flirt."

Jimmie Gatlin has returned to tennis playing and has just set a world-record winning streak.

Estelle Cayton discovered the positive cure for lovesickness at her world renowned research labs.

Leland Ellis is gaining experience at Dupont while becoming manager of the Dacron productions.

Sandra Bullock has yet to make a decision between Stanley and Frankie.

Julian Burton is catching Al's passes as end for the Baltimore Colts.

Linda Bellamy has become head-nurse at Duke hospital.

Frank Anderson has become the captain of a Piney Neck Paratroopers division.

Kay Ange has finally become manager of the Dean Woolston Co.

Allen Wall just set a record for being at his job for ten days in a row.

Rose and Kay Toler have finally succeeded in teaching a course on public speaking.

Douglas Willis has become the first mayor of Willis Neck.

Becky Russell and Pat Jones have written a book giving hints on "How to be Selected Most Bashful".

Wallace Smith has built himself a mansion at the edge of Kinston.

Elva Jean O'Ham and Virginia Monroe have finally succeeded in getting equal shares as owners of the Tip Top.

Jay Keitt Sawyer is professor of engineering at State College.

John Pollard has become the star south paw of the Baltimore Orioles.

Barbara Lewis and her husband are having a time outfitting their 5 boys and 6 girls. I wonder if that could be Peter Rabbit I see?

Colie Miller has finally learned every last one of the keys on that cottonpicking typewriter.

Betty Jean Jones has settled down with that millionaire, James, in their home at Greenville.

Robert Lane is acting as head engineer for the largest dam ever built.

Joyce Hinson has become manager of Kress in New Bern.

Frankie Ipock is chief test-pilot for the U.S. Air Force.

Judy Gaskins has put her red hair on TV as Lucy in "I Love Lucy".

Jerry Hart has become the owner of North Carolina's largest grocery store.

Carol Ann Cleve is the first to invent a mechanical baby-sitter. It even changes a diaper.

Frankie Gaskins has organized the first basketball team on the moon.

Trudy Cameron has filled the vacancy of the geometry teacher at Farm Life.

Dickie Crawford has become the head manager of all Coca-Cola bottling companies in North Carolina.

Cleo Bryan and Mary Sue Gaskins are learning the methods of catching them a man on the moon.

Bill Arrington has taken Red Skelton's place as top comedian for CBS.

Tessie Avery has become a professor of English at East Carolina.

It seems that I can see myself as the Dean of a Divinity school. I wonder if that could be at Duke University?

Stairway To The Stars

The time is a few minutes before 7 P.M., Friday afternoon, May 6, 1960. The long awaited day has finally arrived. The gym is splendidly decorated after much thought and hard work by the Juniors, Mrs. Nell Haddock, and Mr. Henry Speight. The last stages of decorating were finished in the lunchroom this afternoon. Nearly everyone has arrived for the banquet; the girls dressed in beautiful evening dresses, the boys in their neat fitting formal suits. The waiters and waitresses are dressed in Roman tunics. After dining on a fabulous meal and listening to talks by several Juniors, Seniors, and guests, we are ready to go to the dance but have to wait until 9:00.

Upon entering the gym we think a fairy must have been here and changed it to a fairy-tale land. Overhead the blue sky hangs full of stars; the garden in which we are in is surrounded by a moss-laden stone wall. At the far end of the vast garden there is a gigantic stairway reaching up to the stars. Beside the stairway is a setting arranged with garden furniture. Adding to this splendor, soft music is heard and the garden is filled with dancing couples beautifully dressed. This enchantment continues until the stroke of midnight when the fairy calls curfew on this wonderful night. Although we have to leave, many memories will remain with us of the Stairway to the Stars.

Mr. Blair makes the closing speech at the banquet.

MISS MILLSTREAM

For the first time in the history of our annual, which is being edited for the 25th year, a Miss Millstream has been chosen. The editorial staff chose a committee of teachers to select Miss Millstream from the girls of the senior class. This selection was to be made according to the student's participation in school activities, citizenship and general appearance.

After much thought, the committee selected Cleo Bryan. She has been a member of the Beta Club for three years and has played basketball for four years. This year she is one of the co-captains. Cleo was selected Most Popular and Best All Around this year by her classmates. She has been a member of many clubs and has held several offices. She is also an honor roll student.

MR. & MISS FARM LIFE SCHOOL

JAY KEITT SAWYER
HILDA GRACE MORRIS

About three weeks before the annual Fall Festival, which is held in October, a queen and a king are selected from each grade. For the preceding three weeks, each candidate campaigns to win the coveted title. On the night of the crowning, each candidate is introduced and a display of the school's talent is presented to the audience. This year's title of Mr. and Miss F. L. S. went to Miss Hilda Morris, a sophomore, and Mr. Jay Keitt Sawyer, a senior.

HOMECOMING QUEEN

PATRICIA WHITFORD

"Pat" as she is known to her schoolmates is the daughter of Mr. and Mrs. G. A. Whitford of Ernul. She has been very active in school, participating in the Junior Class play, and her work with the Future Homemakers has been of high order. As Chief Cheerleader, she was one of the moving spirits behind the successful Homecoming Parade. In addition to this, she is a member of the Beta Club, our Honor Society. Our congratulations to Patricia Whitford.

ATTENDANTS

MARILYN NOBLES

GERALDINE BUFFKIN

Each year, for the football homecoming game, a queen and two attendants are chosen by the football team. The queen is crowned and the attendants are presented during a pageant held at the half-time of the homecoming game. This year Pat Whitford was chosen and crowned queen and she was attended by Marilyn Nobles and Geraldine Buffkin.

1960 HOMECOMING GAME

The "Red Raiders," playing at their best, displayed superb spirit and precision teamwork to beat the Snow Hill "Yellow Jackets" by a score of 32 to 0 to climax the 1960 homecoming activities.

Co-captain Al McClamb, playing the best game of his career, ran 288 net yards, scored three touchdowns, kicked one extra point, and had two passes dropped in the end zone.

Also playing the best game of his career was Dewey Earl Tripp who, netted 88 yards carrying the ball on one play to the one-foot line, where he was knocked out of bounds.

Left end, Cecil Wetherington, who was later named all-conference along with McClamb, scored on a 30-yard pass play with Freshman Quarterback Harold Jones throwing.

The fifth touchdown was scored by co-captain Keitt Sawyer who scampered untouched through the line for 15 yards.

The "Raiders" were knocking on the door for their sixth touchdown when the final whistle caught them on the 10-yard line.

The victory, was a team effort from a highly-spirited "Raider" uprising.

The half-time activities began as the sponsors of the football players were escorted on the field. The three candidates for the 1960 Football Queen arrived on the field in new convertibles. The candidates were Marilyn Nobles, Geraldine Buffkin, and Pat Whitford. The football players then joined their sponsors on the field and Pat Whitford was crowned the 1960 Football Queen by Mr. Blair.

SCIENCE CLUB

SCIENCE CLUB OFFICERS
Secretary-Estelle Cayton, Reporter-Pat Whitford, Treasurer-Connie Gaskins, President-Carol McLawhorn, Vice President-Jay Keitt Sawyer.

The purpose of the science club is to help students become more interested in science and to encourage them to continue their studies in this field.

To be a member of the science club a student must have an average of B and be interested in science. Our club has a membership of 35.

This year the students suggested that each member prepare a science project. This can be in any field in which the pupil has a keen interest.

Our club plans to have a local science fair during January in order to exhibit these projects.

BUS DRIVERS CLUB

BUS DRIVER'S CLUB OFFICERS
Left to Right: Colie Miller (President), Estelle Cayton (Treasurer), Marilyn Nobles (Secretary), Al McClamb (Vice-President), Mr. E.P. Blair (Principal).

The Bus Driver's Club is an organized club within the school made up of all certified bus drivers. It is their duty to work for safety and order in transportation and cleanliness of the buses. The interest in this club is good and adds a lot to the life of the school. A number of socials are enjoyed by its members.

One of the most important and one of the most improved phases of our school system is that of transportation. The transportation of our students to and from school must always remain as one of top concern. Our drivers at Farm Life School many years ago organized a Bus Driver's Club with specific projects of safety, cleanliness, and order. Holding frequent meetings and socials with outside speakers and others have produced a closely woven group with similar interests. No major accident of any description involving a student entering or leaving a bus with an oncoming vehicle has ever occurred in this area. A real boost was given our club and school when the County Board of Education, through Mr. M. B. Pope, Supervisor of Transportation, set up awards for safety and cleanliness in the transportation of students to and from school. This has caused a considerable amount of interest, and the enthusiasm on the part of our drivers to do a real job is gratifying indeed and we are all proud of them.

Coach Stone

The 1960 Football team had the best record this year a "Raider" team has had since 1957. Under the supervision of Coach R. H. Stone the "Raiders" had a record of two wins, one tie, and seven losses. Two of its members, Al McClamb and Cecil Wetherington, were named All-Conference.

The "Raiders" closed the season with a banquet held December 12, 1960 for all the football players and their parents. Johnny Clements, Freshman Coach from N. C. State College, was the guest speaker. The school is very proud of its team this year and expects even greater things next year.

CHEERLEADERS

The 1960-1961 cheerleaders, under the leadership of Pat Whitford and sponsored by Mrs. Nell Hill, have been more active than in preceding years. At the beginning of the school term the cheerleaders were selected by tryouts. New uniforms were made for this year's ball games. Our cheerleaders have called on the cheerleaders from East Carolina College, Greenville, N.C., to assist them in learning new cheers and improving their old ones.

1959-60 BASEBALL TEAM

The 1960 Farm Life Baseball team won its third straight conference championship. Winning 15 games and losing 5 against Class AAA, AA and A high schools. The only senior on the team, Carol Heath, was selected to play in the Annual East-West All-Star game in Greenville. He was the only player from the East selected from a Class A high school. The 1960 team was one of the best teams in the state. All the players will be back on the 1961 team except Carol and great things are expected of the team for 1961.

HOW HIGH CAN YOU CLIMB?

Graduation from high school starts you up the ladder of an adult life. The long climb can be rewarding for those who specially train themselves to step into our nation's important jobs.

Most of the easy inventions and discoveries already have been achieved. What remains today are the hard jobs of even further improving our wonderful way of life. Now, more than ever before, the call is out for men and women with sharp minds and clever hands to pool their talents to solve difficult problems in industry, science, agriculture, medicine and other fields. The opportunity to strengthen America, as well as to experience personal success, awaits for those who can produce.

With these prospects, you as graduates of Farm Life High School should be on your way to bright future. We extend our sincere wishes for success and happiness.

Humor in High School

A woodpecker sat on a freshman's head
And settled down to drill.
He pecked and pecked and pecked away
And wore away his bill.

Mrs. Taylor: "If the person who stole the alcohol out of my lab will return the appendix, no questions will be asked."

Miss Turnage: "The trouble is you boys don't know simple arithmetic. Now, if I were to give you 6 guinea pigs, then 6 more and multiply by 6, how many wou'd you have? Answer quickly."
Wilmar: "Let's use cows, they don't multiply so fast."

Mr. Stone: "You have a faculty for making love."
John Pollard: "No, just a student body."

Mary had a little light
It was well trained, no doubt,
For every time her boy friend came
The little light went out.

Mary Lou: "Have you made up your mind to stay in?"
Carol: "No, I've made up my face to go out."

Roy: "Why do you make that gurgling noise, Barbara?"
Barbara: "I'm trying to swallow that line you're throwing."

Mr. Jones: "What is the most outstanding contribution chemistry has made to the world?"
Gerald: "Blondes."
